My parents:

Harvey Yancey and Mabel Ruthene Duff were married December 30th, 1922 in Owego, New York

I know that Harvey Yancey and Allie Binger had one child, a girl. She came to visit her Dad while I was in college, (I think that is when!) She stayed for a while until my Father heard she had been to a bar called Jamison's in Owego, NY. 13827. That was not a place for any law abiding woman. He read her the "riot" act and she left either that day or the following. To my best knowledge she has not been heard from since.

However, I think someone in the family did make contact with her when they were in Missouri, visiting family living there.
