

Dear Dennis;

Thank you for the information regarding the Yancey/Menefee connections. I have enclosed for you a list of children from my Jared and Lucy Menefee.

My ggg-grandmother was Paulina. Her daughter Mary Grant Wootten was still alive when I was born. It was her belief that the past belonged in the past. Needless to say a lot of family history was lost when she past away. She was the last of her sibling to pass. Grandma died at age 99 in a car accident.

I believe I told you that I had received some information from a family Bible. My Mother, who has the Bible, is searching for it. She moved recently, and is still going through boxes, but has not come across the Bible as of yet.

Thank you again for the information that you sent me. I hope the pages that I have sent you are able to help fill out your tree a little more.

Yours,

P.S. Dennis, sorry it has taken so long to get this out to you. I was really hoping my Mom would come across the missing Bible + send it to me. She is in Wa State + I'm in Ct. I forward info to you as I get it.
