Dennis:

I returned Sat. from a 2-week vacation to the west coast and found the information on the Yanceys I had ordered. Thanks so much. I skimmed it briefly when I got it last evening, but look forward to reading it in depth as soon as things get back to their normal "rut".

Before I left, I had intended to send you the enclosed pages from our family Bible and the "tree" Faye Poss has done for me. It begins with my almost-two year old grandson, Yancey Alexander Appling, and proceeds back through me and my father, etc. I hope these will be of interest and help to you. Faye had stumbled across my line while doing the genealogy for Allen Burks' family. This is really what has gotten me so interested at this time since I had planned on researching the Yanceys (and my mother's side of the family) when I retire in 3 or 4 years.

I will be interested in anything else you uncover, and will send you anything that comes to me via Faye (or anyone else) since I haven't the needed time to spend in research yet.

Thanks again.

Sincerely,

  
Gloria Ann Yancey Jones

Dennis:

Allen Burks (through a mutual friend who knows my maiden name is Yancey) sent me the information you had sent him on the Yanceys. His great grandfather (James Andrus Yancey) and my great grandfather (Simeon Plummer Yancey) were brothers. I've enclosed a marked-up copy of the family tree you had furnished to him indicating where I fit in. In my father's Masonic Bible I have the records for the children and descendants of Edward Benjamin Yancey (my grandfather) and, of course, for my father and his 2 children, and my own children. I plan to type this up and send it to you, along with a xerox copy of the pages from the Bible, if I can manage that.

In the meantime, I've enclosed an order for the information you have available, and will appreciate receiving it. I am SO THRILLED to have this information and so glad that my friend Faye Poss came in contact with Allen Burks. I am really looking forward to receiving the information on the attached form. I am so lucky to have this "fall into my lap"!

Sincerely,

Gloria Ann Yancey Jones

I look forward to hearing from you soon and I hope within this week to get the other information

Mr. Dennis J. Yancey  
19341 N. W. 61st Ave.  
Miami, FL 33015

Dennis:

Enclosed are machine copies of pages from a "Family Record" kept by my grandfather, E. B. Yancey. They were sent to me by my cousin, Ouida Wood. So-called "Page 135" and "Page 136" shows the descendants of George P. Yancey and James Walter Yancey, 2nd and 3rd children of Simeon P. Yancey, who do not show up on the tree that you furnished Allan Burks in May of this year.

I hope these will be of interest to you. Ouida did not send me a copy of the cover of the book where these pages are written, and I hope to find out where these are kept sometime this month when I visit with her. My grandparents lived with Ouida's parents (their second child Frances, and her husband) and so Ouida ended up with all the old family pictures, which I have never seen. I plan to visit her in Cumming, GA this month.

Sincerely,

Gloria Jones
