Stancill M. Nanney  
6858 Brandon Mill Rd.  
Atlanta, Ga. 30328  
U. S. A.

Dear Mr. Nanney,

The following are the names of persons who undertake genealogical research for a fee:

Mrs. G. R. Hamilton  
"Rafeen"  
Garrison  
Christ Church  
BARBADOS.

Mrs. Joy Hunt  
Horizon  
Lodge Hill  
St. Michael  
BARBADOS.

However, a preliminary search has been made, and the only record found for the name Nanney, is a 1660 deed in which Peter Barhboe sold to Robert Nanney, "merchant now in this island" and Richard Hutchinson of London, merchant, a house formerly called 'ye Beare', and a new building on 60 sq. ft. of land. RB 3/5, p. 801. The deed does not say where the house was situated.

Enclosed are some notes on population records in Barbados.

Yours truly,

MARION A. NEAL (MRS.)  
For Chief Archivist.
