

COMMUNITY SERVICE

## A GENEALOGICAL SERVICE PROJECT

**Would you be interested in becoming part of a  
GENEALOGICAL COMMUNITY SERVICE PROJECT??**

Especially if it was something you could do at your own speed and on your own schedule - from within the comfort of your own home??

The FAMILY BIBLE PRESERVATION PROJECT is currently looking for people who have expertise with FamilySearch Memories and can help us tag/link copies/transcripts of thousands of Family Bibles to the family in FamilySearch FamilyTree who originally owned the bible. This will help ensure that important family genealogical information is preserved for descendants of such families.

We would LOVE to have YOU share with us your expertise in using Family Search Memories to accomplish this very interesting and fulfilling service project. Anyone can participate (Family Search Experience preferred) . . . Girl/Boy Scouts, Relief Societies, Single Adult groups, Homebound, disabled, missionaries, Genealogy clubs etc . . .
