Dear Arvilla :-

We surely did appreciate your letter + would have answered right back but so many interruptions so I'm sending a card before any more time passes!

Thanks for the Spoi names but on checking we find that none of them fit into our line. Our people are from Co. Berne. Julius Billiter has been doing our research. Aunt + I were thrilled over the Flamm history which Sadie gave us to read.

Irma lives on 2365 Lynwood
Mary at 1539 Harvard and
Bill at 2618 Lincoln and I'm
sure that they'd each be
glad to have you call.
Half our family are now
in S. S. C. Thanks again
+ best love Aunt Libbie
