Wyatt Nanney 10010-00010

1820 Brunswick Co., VA, Meherrin Parish. p. 644.

Wyatt Nanney 01110-10110

The male <10 in 1810 and the male 16-26 in 1820 is believed to be John W. The female 16-26 is believed to be John's wife. She was not in 1810 numeration.

John W. NANNEY married (1) Eleanor WILLIAMS. When and where are in question. If the interpretation of the 1820 census record is correct, they were married before the first Monday in August 1820, the census day, probably in Virginia. If this be so, then Eleanor was likely from Virginia also and not Kentucky or Indiana as some have suggested.

It is proposed that John W. followed his uncles, Abel and Amos, Jr. to Kentucky and soon after moved into Spencer County, Indiana where his children were born.
