Dennis:

I am enclosing what I have on the newt Yancy family. I got some info from your Computer that i did not have but I have some that you did not have. You ask if I had a picture of Mary Elizabeth Sharpe and I do not, I called Mary Elizabeth Yancy-Hood-Scruggs a granddaughter to see if she had one and she did not either. Have two pictures of the Andrew Williams family, do not know where I got all these pictures that I have, has been so many years ago.

On the Ben Freeman family, he was a brother to Uncle Phil. She was a sister to Lala Y (Edwards) Yancy. They would come out to visit Uncle Phil and Aunt Nan who lived near our house.

Aunt Myrtle was an ole maid and a work horse for Isie & Thula. She always did their washing and ironing and house cleaning. Well when she married Mr. Frizzell, here comes isie & Thula with their wash^{ing} so he met them at the door and told them that Myrtle did not have to do that anymore. To say the least they never liked Mr. Frizzell but Aunt Myrt had an easy life from then on even in her olden days

I am enclosed a drawing of ~~how~~ how we all lived near one another. Guess Gramps (Bill Yancy) lived further for Uncle Newt & Alf and kids all lived near one another.

One of Alfs G-Grandsons (Cory Wayne Yancey) son of Emory & Fannie Lou (Hipp) My dads sister) bought the Ole Newt Yancy place and tore that house down and built a house on the spot.

I am telling you we lived in a sort of cluster of the Yancy clan.

Your cuz, Martha

PS: I am also enclosing a poem I wrote about folks thinking they could never come back home; also a story of the Bear Hunt in the 1800 and ~~my~~ the bear almost killed Papa Hipps (Will) dog, the dog died later on. Papa gave the bear claw to my son, Ray and it was in good ~~shape~~ shape, hair still good on it. Do not know what they preserved it with way ~~a~~ back then. We still have it and other members of the ~~fm~~ family would like to have it also but it stays in the Dickson family. Thought you might enjoy reading it.

Also am enclosing the oprogram of the Homecoming this year and will send you a pictrure when I get one. Lori & Jimmy Yancy was there this year.

When Newt, Alf, Bill came into Calhoun County. Newt was afraid he would have to go to war and caught a barge up the river and went up north and got a job. He ~~was~~ was only 14 years of age. Do not know what state he went to but he got up there and when the war was over he wanted to come home and could not. He had to stay several years before getting enough money to come home on. He and Gramps Yancy married sisters, that is Gramps first wife who was Uncle Words mother. Uncle Newt lived in the Sarepta community and died with a heart attack.

**MR. NEWT YANCY'S DEATH
REMOVED A FINE CITIZEN**

Mr. Newton Yancy, a life-long citizen of Sarepta, died at his home on December the 7th, very suddenly. His son, Fred, found him dead at the barn. Mr. Yancy was approximately 83 years of age. He was a Master Mason, a member of the Baptist church, having joined both more than fifty years ago. He lived at the place where he died for over 35 years, and was a powerful factor in the development of the community, in fraternal progress and in christian work. He was truthful, he was just and he was fond of his friends to a remarkable degree.

We could say a great many kind things about Mr. Yancy truthfully—and we are sincerely sorry that in some way we failed to learn of his death until this week.

His friends were legion, and his standing in his community was that of a high-grade, honest, intelligent and sympathetic gentleman. We regret to note his passing—and know that the community and the county has lost a man worth while. Peace to his ashes.

RESOLUTIONS

Whereas, the Supreme Ruler of the Universe has called from this life our brother, Mr. Newt Yancy; and

Whereas, in his passing we know that Sarepta Lodge F. & A. M. has lost one of its most loyal and honored members, he having been made a Mason more than fifty years ago by degrees conferred by Sarepta Lodge; and

Whereas, our departed brother was a member of the Baptist church and a christian gentleman; a citizen of the highest type; a man of honor and integrity, generous in his friendships and loyal to those whose friendship he held; and

Whereas, feel that in his passing, this Lodge, the Sarepta community and Calhoun County has lost a brother who will be sadly missed; therefore be it

Resolved, that we, the Sarepta Lodge, F. & A. M., enter upon our minute books this tribute to his life as citizen and member; and be it further resolved that a copy of these resolutions be published in the Monitor-Herald and a copy be sent to the sorrowing family of our deceased brother.

Andrew & Alice(Yancy)Williams lived near Water Valley, Ms. When I was growing up I did not know the connection of the Williams family to the Yancy family. After I married and started working on the history then I was surprised to know that she was Uncle Newt's daughter and a sister to Uncle Fred and Uncle Doc and Aunt Nan. We lived up the road from Aunt Nan. I did know that Jack Williams always came out and got a load of broom corn from all of us then brought back the brooms finished,

After I moved to Bruce I went back down and had a nice visit with Jack. He had some old pictures that I would love to get copies from but they were too important to take away from the house.

CHURCH ENTERPRISE

Aunt Buena lived with Grandma Ragland . Uncle Dalt and them lived in Texas and this man Will Williams lived on the place and so he and Aunt Buena went to writing one another. He came out on the train to Water Valley. Papa & Mama took Aunt Buena to Water Valley to meet him, they went in the surry. Well before they got there they saw this surry coming toward them and Papa told her that was Mr. Williams. Sure enough it was, he had rented him one so Aunt Buena got in with him, they went back to Water Valley and got married. Papa & Mama spent the night there also, then they all came back in the surry with Papa and Mama. Then they boxed all Aunt Buena's things up and went to Water Valley, shipped them to Texas and they rode the train. Aunt Johnnie told me this and said that Aunt Velma kept them while Papa & Mama went to Water Valley.

/ Aunt Buena's firs. husband, Cap Yancy, went craz. He had the butcher k...if and was going to kill her as she came out the back door but she saw him and ran out the front and got help

Aunt Buenas first husband(Cap Yancy) kinda went crazy and they had to put him in a place where crazy folks live and that is wher he died. He is buried in Sarepta Cemetery. Aunt Buena said that she saw him standing on the back steps with a knife in his hand waiting for her to come out but insteads she went to Uncle News house and got help

Aunt Buena said that Uncle Cap went outside, she looked out and he was standing on the steps witha knife raised to hit her if she came out. She went out the front door and got help. Then they sent him off . He is buried at Sarepta

Cap Yancy,

Age 36 yrs. 7 mos. 24 days.

GONE BUT NOT FORGOTTEN.

A precious one from us has gone,
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.
God in His wisdom has recalled,
The boon his love had given,
And though the body slumbers here,
The soul is safe in Heaven.

Emma & Fletcher Edwards lived in the Sarepta Community. They purchased land, borrowed the money from Mort Hipp. In January Fletcher got out in the cold and cut trees, clearing land, took pneumonia and died. Emma was left with small children and Mort Hipp would not wait or go along with her for payment on the loan and she lost the place. She had no where to go so Uncle F Phil Freeman gave her some land or built this small house on his place and she lived there as long as I was a little girl, then moved to the Green Leachman place near Sarepta and lived there until she died. I remember walking down there and Aunt Emma had these little gold rings in her ears, I thought that was the neatest thing. Lala said she could not understand her mother being young marrying that ole man with 3 children.

Aunt Emma Edwards lived down the road from us when I was young. I always enjoyed walking down to see them. Aunt Emma was the first woman I had ever seen with ear rings in her ears, sometime she would just have a straw through the holes. I never remember seeing her husband. Aunt Myrtle could really play a banjo. They lived on Uncle Phil Freemans place (Emmas brother in law)

Aunt Myrtle could also play the French Harp and one day she got under the floor playing the Harp and they all thought the world had or was coming to an end with all that sweet music.

Funeral service was Friday at 2 p.m. at Parker Memorial Funeral Home Chapel with Rev. Junior Ritchie, Rev. Danny Spratlin and Rev. Rex Wilburn officiating. Burial was in Pleasant Ridge Cemetery. Pallbearers were Gwin Winter, Elmo Brasher, Rodney Mann, Denzil Winter, Marty Grist and Lennon Ray White. Bruce High School class of 1954 members served as honorary pallbearers.

Survivors include his wife, Brenda Yancy Winter, Bruce; one daughter, Jan Winter Easley and husband, Mike, Cleveland; two grandsons, John Yancy Easley and wife, Marianna, Starkville; Patrick Ward Easley and wife, Jill, Madison; one sister, Carol Hardin, Bruce, and one brother, Jimmy R. Winter, Bruce.

Bobby & Brenda lived in the Chicken Bone community where all the Winters family lived. She, like me, ran off at the young age and got married. She told Lala she was going to spend the night with Thula, well she went down this road where Bobby and his dad was waiting on her and off they went. The next morning she did not come home and Lala went down and they said she never came to Thulas, well they knew then and it was rough there for a few weeks but things worked out OK. Brenda worked for Kellwood for 55 years, Bobby kept the house and did the cooking, ironing and other wifey things. He would not even let Brenda wash a dish, she did the flowers but he did the rest. Kellwood sent her to Oklahoma one time and then when we moved down there she wanted to know if I would help take care of Lala. I said yes, well for about 6 years she went to Mexico, set up factory there, then J. C. Penny wanted her to work for them to set up them one and Lands end also did the same. They paid her way home every two weeks for a week then back she would go. Lala and I made it fine for she was my running buddy even at the age of 99 & 100.

At this time Bobby Ann and Freddie are still living.

Hubbard was the funniest thing, just to hear him talk you could get tickled. When Dick and I married he and Mable lived near by and she was from the city so each morning she would fix her faxce up and she wasw x a very pretty girl. She ev even fixed her fact to go to the field and hoe. They had their first son while living there and they laid her on the table to have the baby, Dicks mom was a midwife and she helped deliver him with the doctors help. Then they finally moved back to the area where she lived and they lived there until both of them died

Jimmy Bryan & family live in Louisville, KY. Mary Scruggs wanted me to make him a Yancy book so I sent him charts to fill out, then called him about them and he said he just did not have time, well, guess I have some of that meaness of Yancy in me so I never fixed him one, do not think he was interested anyway. Michael lives in Little Rock, Arkansas, I met him one time when he came back to Bruce for a funeral of one of his kin.

Sim got into a fight over a woman, hit the man with a club and thought he had killed him. He came home, told Uncle Newton so they went to Water Valley, put him on a train for Texas. Never heard one word from him for 18 years, then he came back for a visit. He did not kill the man.

A few years ago John & Mary Joe came out for a visit and attended our homecoming at the Sarepta Cemetery. I have not been able to get any more information on this family, even though John promised to send it to me the last time they stopped by my house for a short visit. I also wrote them for info. but no answer.

Uncle Phil and Aunt Nan lived down the road from where I grew up as a child. He was a farmer and had asthma real bad. Daddy always said he could never give a shot but he and Uncle Phil was off together one day and he did give him a shot. We could hear him wheezing when he would set on the front porch. They got a refrigerator and always had lemonade so we liked to go down and get some of that good cold lemonade.

Hubert & Nina lived down the road from where I grew up. I remember when they got married and also when the boys were born. I stole a tiny knife from Nina and Mother made me take it back down there I talked James into going inside and telling her about it. I never forgot that lesson and was the only thing I ever stole but it was the tiniest knife and so cute to me back then.

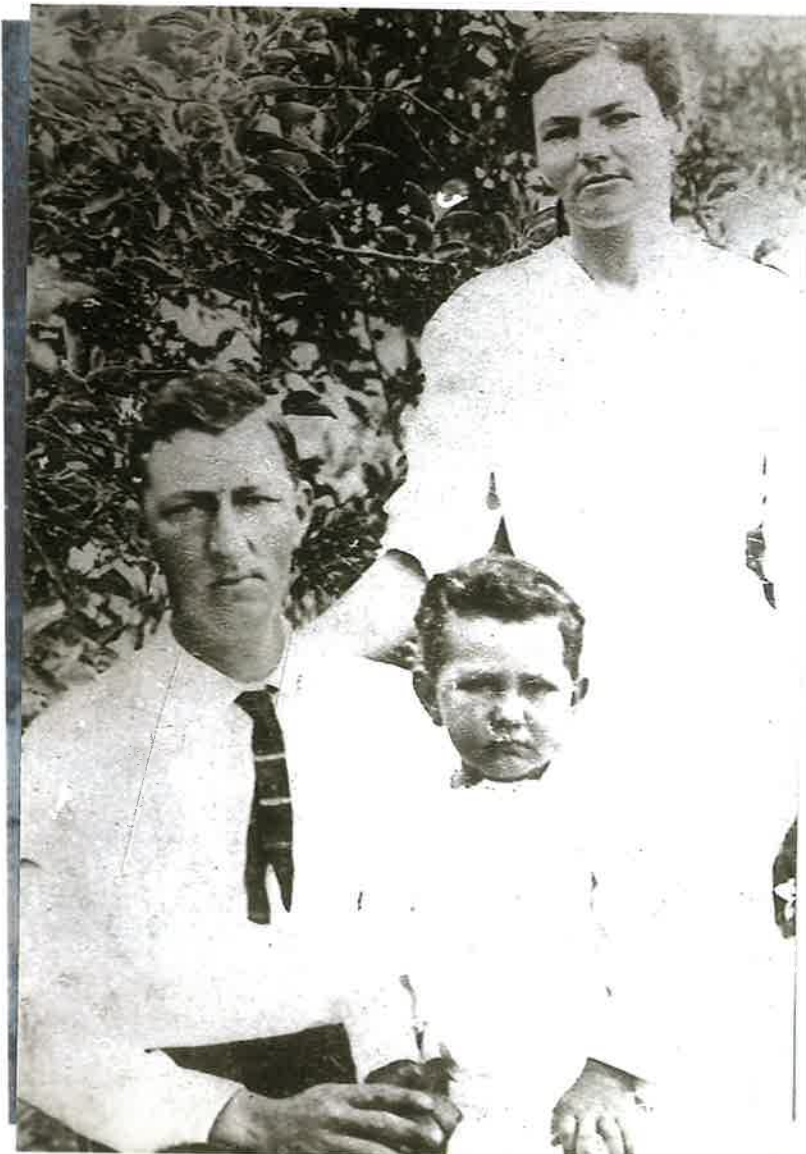

Humbert and Nina farmed until the boys got up school age, they went to Sarepta at first then they moved to Grenada where Nina worked in the hosiery mill until she retired and do not know what tyOe job that Humbert had. Nina still lives in Grenada, Mississippi.

Thomas Freeman made a career of the service. He retired in Texas. He died with cancer. His family still lives there

Ray was a school teacher in South Mississippi, then came back to Bruce until he retired, then they built their house in the outskirts of Grenada on land she had inherited. 1996 he is head headmaster of the private school in Winona, Miss. 2007. He is once again retired and doing research on the family line.

Melvin lived in the Sarepta community just up the road from Uncle Emory near his father, Phil. He was a farmer

When Melvin had heart surgery in Memphis, We brought Nona out to the house for supper, then each morning I would cook them biscuits and sausage and take by the hospital on my way to work. Nona is the one who hid my suitcase until Dick came by the next morning and got it.

Mary Elizabeth was an ole maid, she taught school with Mrs. Hood in the Lambert school. They were very good friends. After her death, Joe and Mary Elizabeth married (she was 40 yrs old). Joe had two daughters, JoAnna and Elizabeth. Mary did not change one thing in the house, some man told her if he was her he would make Joe clean out that house and buy all new furniture. They were married several years when he died with a heart attack. She then gave the furniture store to JoAnna and the place to Elizabeth and she moved back with Aunt Agnes in the Sarepta community for about a year, then she taught in the school system at Calhoun City (about 30 miles from the Sarepta area). Someone there knew Hansell Scruggs and he was looking for a wife (since his had died) Mary married him and they lived together for several years. His children fell in love with her, she still lives there but she told me the other week she had signed up to move to Traceway where I am now living, sure hope she does. She has such a good relationship with JoAnna & Elizabeth's family, they even take her on trips and she and Hansell would spend holidays with them. She also has the same with his children, very close to both families and she has several grandchildren from both families.

1910 Exciting Bear Chase

Dicksons Still Own The Bear Claw From 1910 Adventure

Letter to the Editor; The Monitor, Pittsboro, Calhoun Co., MS, Thursday, June 23, 1910

Mr. Editor I want to tell you about our bear chase which happened north of Banner in Calhoun County:

On last Friday morning, Mr. C.B. Lagrone took his shovel and walked off to the field to open up some drain ditches and was at work at the end of the rows of cotton on his place. He heard something running through the muddy ground and whirled around and behold there was a great black bear running off toward the creek.

The bear had slipped up within 75 yards of him and when he saw Mr. Lagrone he whirled and ran off. Mr. Lagrone watched him until he went out of sight then he made his way up to Mr. Aron Hillhouse's to a phone and called up Messrs. Mort Hippi to come with gun and dogs.

Strange to say at that time out of six families and ten dogs, there could not be one started. But with the use of the phone by ten o'clock we had the fun started.

The dogs, not being used to running bear, did not take the track very readily, but by working with them some time they took up the trail and off they went. Three hours or more he circled and back tracked on about 160 acres of land.

At last he started west with 75 men and boys with guns and axes and about thirty dogs behind him. He stayed out of the way for two or three miles. At last Will Hillhouse, on foot with the dogs, put him up a tree.

Mr. Will asked him to come down and on being refused he set out to Mr. Finn's to borrow a gun and when he got back John Arnold had come up and shot him out and he whipped out the dogs and ran about a half a mile and took another tree.

By this time a lot of men came up and among them was Wess Berry and his dog Fiddler. They

The bear claw is owned by Ray Dickson Jr., given to him by his great grandfather, Will. Ray is the son of Jelly Bean and Martha (Hippi) Dickson, above.

decided to shoot his eyes out. John Arnold and Wess Berry were selected to do the shooting and both shot at once and out came Bruin forty feet to the ground among the men and dogs.

As soon as he struck the ground, a noted dog belonging to Will Hippi ran up and grabbed him and the bear caught him in a hug and nearly smashed the life out of him.

Then followed the march back to Mr. Lagrone's where he

was weighed, dressed and sawed into small bits of meat and divided among fifty or more men and boys. They all decided that, as Mr. Lagrone had been scared out of his own hide, he should have the bear hide. He weighed 112 pounds.

Now, Mr. Editor, if there is any of your readers who think that this is just to fill up the paper, tell them to come to Mr. Lagrone's and see the hide.

Teddy.
