Dear Dennis:

Glad to know I am not the only one that puts my things up, then cannot find them, just join the club.

I did get the letter, that they forwarded on to me, was surprised for has been a year, just glad they did I would have written to you later on.

I am now in my new roomy apt. Now I have a kitchen living room, bedroom, walk in closet and a good bathroom ~~ew~~ equipped for handicaps, Love it but it is a long walk to the dining room, gives me more exercise and the walk in closet sure makes up for the long walk.

I brought all my records with me. Might just get on internet, am not sure ~~just~~ just yet.

I am not set up and have not gotten all my stuff put away but will get the letter to you with the pictures in the futur.

Take Care, Your Cuz, Martha
