Dear Dennis,

I am sending you data on the Nanny family I received from Jack Nanny.

I also uncovered at L.D.S. History center Thomas Nanny b. 1685 Rholgelly Wales, lists his son John Sr (b) 1710 Rholgelly Wales as marrying Frances Howard.

Was Thomas or Robert the first?

I won't be able to get back to History Center until Mar 12th to check on Thomas Descendancy, to see who sent this information in.

Catherine ^{Nanny} Vaughan b. 1615 dau of Gruffnd and Ellen Wynn Nanny (M) Robert, a daughter Jane b 1637 married Robert Owen (b) 1637.

at L.D.S. under Nanny also lists Nooney why I haven't been able to find out.

In my line some went by Anway other's Nanny why is also a mystery.

I'm still waiting to hear from Rholgellau Wales on Capt John Nanny captured at home Dec 31, 1645

(2)

What happen to him, was he sent to Prison or departed?

Since my line started with Capt. John Nanny who came to Am. to escape service in the rebellion against Charles I.

I started with my line, now I am up to 9 different lines. Every Nanny I come across I put their names down to try and find out where Capt John was from Va area to find a connection.

I do not have a computer so my desk is mountains of data on Nanny's. I have files on Pa Nanny, N.Y. Nanny, Md. Nanny, N.C. Nanny's etc.

Since John and William is a popular name among early Nanny's it's hard putting each family in order.

Sincerely
Arna

Mrs. Anna Eckert,

It has been a year since I first heard from you about interest in the Nanny family name. I think I have some information that could help you.

You state John Nanny who came to America, so we'll start there. Based on records overseas, John was born in 1622 and came to America 1640 (ship records) He settled in Pennsylvania late in life. His brother Robert was born in 1612 and came to America in 1635 (ship records). He died in 1663. His son - Samuel (1659-90) dying in Bermuda. His son - John (1688-1789) married Francis Howard, his son - William (1747-1798) married Anne Roberts (his brother was Uriah Nanny Sr). His son - Roberts Nanny (1776-1835) married Sarah Morgan. His son Charles Whitfield Nanny (1819-1908) married 3 times. His children were 8 Benjamin Franklin Sr listed as 1848-1930 (not 1932) His wife died in 1932 as a widow. Walter born 1849. Isaac (1841-1931). George born 1852. Sarah who married W.T. Webb was 1860-1934. H. Edmon born 1867. C. Finas Nanny born 1870. There was eight children between 3 marriages, 6 by the 1st, 2 by the second, none-third.

Hope you enjoyed the holidays.

If you continue down from Benjamin Franklin Nanny Sr (1848-1930) his son - Ben Jr (1890-1944) his son - Jack ~~Winston~~ Winston NANNY SR 1925-1971 his son Leland and his son - me - Jack Winston NANNY II.

Going backwards from Robert Nanny born 1612 d. 1663
His parents were Lewis and Gwen (Lloyd).

His parents were Richard and Elizabeth.

His parents were Lewis and Elinor (Ellin)

His parents were Richard and Elizabeth (Owen).

His parents were Howel Nanney and Lowry.

Howel was the "Lord of Nannau". Lowry was
his second wife. Nannau land stayed in
the hands of descendants of the first wife, Elin.

A majority of each person who had children had
mostly females which eventually ended that
line in 1859 when Sir Robert Vaughan died.

He bequeathed the land to Charles Henry Wynn (1847-1911)
~~When Wynn died in 1911~~ The vast majority of land

was reacquired by John Vaughan & in 1874. That
line of Nanneys consists mostly of Lloyds, Vaughans
and Wynns due to marriages. Several were sheriffs,
colonels and members of Parliament. The last

Nanny - Hugh, was a Colonel and a member of Parliament.
But he had only 4 girls - no boys to carry on the name.
Ending the line, of course. Another famous Nanny in

that line was Huw (HUW) Nannau Hen. He was
the grandson of Howel Nanny and ~~Elin~~ Elin.

He was head of all Nannau land from 1580-1620.

He had 10 children - 5 of each. Possibly more. He died 1623.

If you continue up the line, you find - Madog. Continue
up you find Rodri or Rhodri Maur "The Great" He had
3 sons. The first born became King of Wales and from this
line descended Idwal Foel and several other Kings.

Genealogical Chart lists over 500 Names and dates!

(3)

Our line descends from the third son who became the prince of Powys. His name was Merfyn. The second son - Cadell and the first - Avarwd or ANARAI. From our line, if you go "down" five generations and go down from another son, this is the line for King Henry through Henry VIII and eventually to Prince Charles. Continue up from Rodri another 13 generations you reach Coel godebauc King of Scotland. He was the inspiration for "Ol' King Coel." True story. Continue up another 13 generations and you reach Beli Mawr King of all Scotland and Wales. He lived in the years of 100-200 B.C. This line continues directly up for 50+ generations until you reach Adam. The very same Adam of Adam and Eve. The paperwork I found on that was a copy (in Welsh) of a thirteenth century manuscript written by one of our ancestors (directly related). Several historians doubt its authenticity but I do because I don't know of anyone who has their history Jack to its creation! I feel privileged. The pages were copied out of a book published in 1910 "The History of Gruffydd ap Cynan" Based on everything (not nearly 1/3 of all the paperwork) I have expanded and lengthened my grandfathers genealogical charts for my own benefit. Like I said I feel very grateful he put all those years into it. Mostly I just wrote names and years of life not much room for other info such as states and full dates. I have entirely too much info to store on the small spaces of my homemade chart, considering all the branching out.

According to complete lineage, I am the 90th Generation from Aelam!

I hope this has been a little more helpful. I am still not sure of the line you are on because I do not have some of the names you mentioned, such as Joseph and Daniel (Rev. War) and William and Mary who had George, Amy, Daniel and David. Possibly if I knew exactly which line you came from, I could put the info on mine. You might also be from John Nanney who came in 1640 or any of his brothers. Most ~~they~~ eventually followed him to America since Nannan land was gone from their holdings.

- The other sons of Lewis and Gwen (Lloyd) were:
- ③ Morris born 1620
 - ④ Griffith born 1618
 - ⑤ Rowland born 1614
 - ⑥ Hugh born 1616
 - ⑦ Richard who married Ann

Also two daughters: ⑧ Ann who married John
⑨ Jane who married John?

Most ~~all~~ sons eventually came to America except 1 or 2.

Feel free to write:
Look forward to it! 😊

Dear Dennis,

I have gathered some of the data on the Nanny family for you. If looking over what I am sending you want more information just let me know.

I can't believe the amount of history I have obtained.

Almost all connected to the family has all passed on, sure wish years ago I asked more questions while they were still around.

I do remember hearing my grand father Harry J. Nanny saying one ancestor sign the declaration of Independence, which one I don't recall. Since William and Harrison appear often, it could be William Henry Harrison.

I have read several books on Madoc, who they claim discovered America. He being connected to Nannaw, Among the Indians were Welch speaking people they did marry one another.

In another book I read of a Nanye, a Cherokee Indian married a Bryan Ward, among her descendants

I did discovered in the Anway also spelled Anahaway, Aniwaya, lines the name Hildebrand and Harlan, they being related to Nanny grand children

The Aniwaya Indians, were called the wolf people, the most important of the seven Cherokee tribes. I have not been able to find out where they were located in America.

I did write to Judith Crandall as I found Hildebrand and Harlan in her book, I want to see what she thinks of all this.

We do not know why some family changed from Nanny to Anway. Judith's ancestor were the first they live along the Delaware River in Orange Co. N.Y. before moving up state N.Y. to Waterbury Co on to Ohio points west thru Iowa on.

The first name across Anway in my line is Thomas S. Nanny, Le Grand Nanny and Warren Nanny's family were the only ones, change before 1891, Thomas is listed in 1870 census as Nanny, but when he died 1893 he has listed as Anway.

Judith is the only Anway that does answer mail, all the others never replied. Of any of them know why, no one saying. It only appear in Wm Nanny m m. and has George, David, Amy line.

(3)

David did fight in Red. War, there's also a Daniel, both living in Orange Co N.Y. I'm from David's line, don't have much on Daniel only papers from Military Records 1777. He could have been the one captured by British, among the other Joseph and died in Prison, as stated in Albert Nanny obit.

David did name his first two children Daniel, the other Joseph, they could have been his brothers or uncles.

William and Mary Nanne, David Sr parents were first on Long Island, what became of them I do not know, David and his brother George (who never fought in Red War) were in Warwick in 1772.

The John christened 1656 Boston his father John could be the John who's willed July 17, 1786, in Va.

In Albert Nanny's obit says Capt. John Nanny came to Am to escape service in Army, in rebellion against Charles I, settled mouth of Roanoke R. Later members came to Long Island N.Y. There was a Capt John Nanney who was captured at Dalgellaw Dec 31, 1645 with his Lieut David Floyd.

(4)

He could have been sent over to Am as a prisoner. Let me know what you think of this idea.

William appears to be a very popular name for Nanny's. I found Pa, Md, N.Y and Va the names.

When I was over Wales 1993. I went to Nannau and met D.R. Maslow-Jones he's connected to Wynn line, he wanted to buy Nannau from Brankrup and turn it into a Bed and Breakfast. (See article among papers I am sending). I do not know if it ever opened.

He allowed me to roam in the house which I took pictures. I wanted to spend more time there but he was in a hurry. Some day I want to go back especially if it opens as bed & breakfast.

I was watching Series on Ellis Island glad our ancestor came before 1890. They sure put those people thru a terrible ordeal after 1890.

My grand mother Marie Parish came over from Germany about 1887 she was 5 years old at the time.

If you want additional data on anything that I enclosed let me know. I tried to gather some of what I have. I did start with my own direct line, but got side tract and before I knew it I ended up with

15)

several lines.

I am still stuck before William & Mary Nanne, some members of family have William married to Amy. I don't know if that's a first name or last.

I did try Mary Amy but no luck in any materials I look into.

So if Capt John Nanney came to Am about 1650, first went to Va later up to Ma where Robert was, then back to Va, then maybe his son were the ones who went North, first in Md, then on to Long Island, N.Y. where David Sr was born 1757.

Some day Wm came over about 1720, that is from David's brother George's line. George Christened 1743 in Long Island.

Sincerely
Arma Eckert
