### Our Society's Activities - Continued from Page 13

heard Miss Holt talk on "Climbing the Family Tree" and she was engaged after their enthusiastic report.

In spite of Sunday, May 14th being MOTHER'S DAY about fifty members with guests attended the Tea that afternoon at the residence of Miss Anna Ford, a Founder member of our Society. Miss Ford's home was decorated with a profusion of Oriental Poppies, roses and iris from her garden. Punch and cookies were served. Mrs. Agna Richardson, Miss Augusta Merrill, Miss Eleanore Sheley, Mrs. Grace Carmean, Mrs. Bea Frost and others assisted with refreshments. Miss Holt was the guest of honor and those present made this an opportunity to discuss some of their genealogical problems with her, much to their advantage. reminiscing, one and all agreed the two days were outstanding affairs of our Society.
