Eddie.....I looked at my research on the Walker family (again) to see if I could have missed something....

I believe this will be Mary's family listed in the 1860 census of Cedar Township, Clark County

#76	Walker, Elizabeth	age 55	(widow)	Born in North Carolina
	Joseph	age 17		Born in Mississippi
	Thos J.	age 15		Born in Mississippi

Mary is already married to James Sheets and living in Alpine Township, Clark County, Arkansa

#367	Sheets, James	Age 39	farmer	Born in North Carolina
	Mary	age 22		Born in Tennessee
	W.	age 1/2		Born in Arkansas

BECAUSE.....Today I put Elizabeth Walker's name in my Ancestry site and asked for 1850 census of Mississippi....This is what I found:

Tishaminga County, Mississippi 1850 Census

#580	Walker, Elizabeth	age 45	(widow)	Born in North Carolina
	Mary	age 14		Born in Tennessee
	Martha	age 13		Born in Tennessee
	Joseph	age 7		Born in Mississippi
	Thos.	age 4		Born in Mississippi

1. Certainly the mother's name Elizabeth is very important.
2. All the children line up with the 1860 census of Cedar Township, Clark County, Ar
3. There is Mary Walker in Greenville Township, Clark County, in the 1860 census, but I always thought our Mary's mother would be an Elizabeth.
4. Cedar Township and Alpine Township would just be crossing a Caddo River.....Greenville is further away from Alpine.

I'll see what I can find in the 1840 census of Tishamingo County, Mississippi for Walkers

Hilda and I went to Tishamingo County, in the summer of 2007 looking around for Shuffield and Diffie.....You never know.....

What do you think about this.....I have put SO MUCH work into finding and researching this Walker line....AND all I had to do today was click on my Ancestry site and ask for 1850 Mississippi.....

Well got to keep looking....Evon
